ATTN: Pattie Keebler

DATE: JUNE 4, 2012

FROM: Rick Miller, Denturist Applicant

E-mail Contact: rickyreline@att.net

MESSAGE:

Ms Keebler,

Enclosed please find letter of support , petition, and names and addresses of Montana residents, setting board member of the Montana Board of Dentistry, President of the Montana Denturist Association, licensed denturist and applicant for denturist license. Also signatures of above mentioned and contact information.

That the above mentioned are in full support of the Petition from the American Academy Of Medical Denturitry, all allegations and exhibits within.

On April 9, 2012 denturist board member Cliff Christenoff and myself met with Jack Kane, Division Administrator, Maggie Connor, Health Care License Bureau Chief, and supporting staff members, Tracy Collect, and Jennifer Billman. This meeting was about the mishandling of my application for a denturist license. After discussing our concerns we were told by Jack Kane, "if we were not happy to take it up with the Governor."

We do not feel that our allegations set forth in the Petition, are being taken seriously by the Department, (DLI) or the Board of Dentistry. So as stated in the Montana Board Member Training Manual, and recommended by Jack Kane we are appealing to the Governor.

There is no desire from any of us to embarrass anyone or to have them removed from their positions. We just want the violations of the Montana statutes to stop now and control of our profession returned to us. We can be available to discuss this with you thursday June 7th. Thank You for your time.

Rick
