

**** Bill No. ****

Introduced By *****

By Request of the Education and Local Government Interim
Committee

A Bill for an Act entitled: "An Act creating a dentist incentive state special revenue account; allowing a fee to be assessed to certain students for deposit in the account; allowing the repayment of educational debt for dentists practicing in specified areas or for specified populations; establishing a maximum amount of educational debt payment that a participating dentist may receive; creating a dental clinic extension program; appropriating funds for the account and the program; and providing an effective date."

Be it enacted by the Legislature of the State of Montana:

NEW SECTION. **Section 1. Dentist incentive state special revenue account.** There is a dentist incentive state special revenue account. The account is an incentive for dentists practicing in underserved areas or for underserved populations. Money is payable into the account as provided in [section 2]. Income and earnings on the account must be redeposited in the account. The account must be administered by the board of regents as provided in [section 3].

NEW SECTION. Section 2. Fee assessments -- deposits. (1)

The board of regents may assess a fee to students preparing to be dentists who are supported by the state pursuant to an interstate compact for a professional education program in dentistry. The fee may not exceed an amount equal to 16% of the annual individual dentistry support fee paid by the state pursuant to 20-25-804. The fee must be assessed by the board of regents and deposited in the state special revenue account established in [section 1].

NEW SECTION. Section 3. Use of the dentist incentive state special revenue account. (1) The state special revenue account established in [section 1] is used by the board of regents to pay:

(a) the educational debts of dentists who practice in underserved areas or for underserved populations of the state that demonstrate a need for assistance in dentist recruitment; and

(b) the expenses of administering the incentive program. The expenses of administering the program may not exceed 10% of the annual fees assessed pursuant to [section 2].

(2) The board of regents shall establish procedures for determining underserved areas or populations of the state that qualify for assistance in dentist recruitment. An eligible area or eligible population must demonstrate that a dentist shortage

exists or that the area or population has been unsuccessful in recruiting dentists in other ways.

(3) A dentist from an area or serving a population determined to be eligible under subsection (2) may apply to the board of regents for payment of an educational debt directly related to a professional school, as provided in subsection (4). Dentists who have paid the fee authorized in [section 2] must be given a preference over other applicants. To receive the educational debt payments, the dentist shall sign an annual contract with the board of regents. The contract must provide that the dentist is liable for the payments if the dentist ceases to practice in the eligible area or serve the eligible population during the contract period.

(4) The maximum amount of educational debt payment that a dentist practicing in an underserved area or for an underserved population may receive is \$100,000 over a 5-year period or a proportionally reduced amount for a shorter period.

(5) The amount contractually committed in a year may not exceed the annual amount deposited in the state special revenue account established in [section 1].

NEW SECTION. Section 4. Dental clinic extension program.

There is a dental clinic extension program. (1) The program:

(a) places third and fourth year dental students and residents in private dental practices and community health center dental clinics throughout the state; and

(b) is administered by the Montana area health education center at Montana state university-Bozeman.

(2) Funding for the dental clinic extension program must be used to pay the stipends for students and residents and the costs of administering the program.

NEW SECTION. **Section 5. Appropriations.** (1) There is appropriated for each fiscal year of the biennium beginning July 1, 2009, to the board of regents the money provided in [section 2] for the purposes described in [section 3].

(2) There is appropriated for the fiscal year beginning July 1, 2010, \$150,000 from the state general fund to the board of regents to be used for the purposes described in [section 3].

(3) There is appropriated for each fiscal year of the biennium beginning July 1, 2009, \$72,200 from the state general fund to the Montana area health education center at Montana state university-Bozeman to be used for the purposes described in [section 4].

NEW SECTION. **Section 6. {standard} Codification instruction.** (1) [Sections 1 through 3] are intended to be codified as an integral part of Title 20, chapter 26, and the provisions of Title 20, chapter 26, apply to [sections 1 through 3].

(2) [Sections 4] is intended to be codified as an integral part of Title 50, chapter 4, part 8, and the provisions of Title

50, chapter 4, part 8, apply to [Section 4].

NEW SECTION. **Section 7. {standard} Effective date.** [This act] is effective on passage and approval.
