amount of projected revenue. The revenue estimate is considered a subject specified in the call of a special session under 5-3-101.

Each biennial report must document the progression of department's efforts over time to conserve energy in the transportation sector.

~~(4)~~(5) The legislative services division shall provide staff assistance to the committee. The committee may request the assistance of the staffs of the office of the legislative fiscal analyst, the legislative auditor, the department of revenue, and any other agency that has information regarding any of the tax or revenue bases of the state."
