Montana Model Policy Guidelines
2012

This manual is a collaborative project between the Montana Municipal Interlocal Authority, Montana Association of Counties, and the Montana Law Enforcement Academy. Through the commitment of time, energy and dedication of many professionals in the State of Montana, we are able to create this publication that can serve as a reference tool for the many law enforcement professionals in the State of Montana.

We would like to recognize and extend a sincere thank you to the following professionals who gave of their time and energy to provide the expertise that was so sorely needed for this final product.
