(b) For the purpose of determining the number of convictions under this section, a conviction means:

(ii) a conviction for domestic abuse under this section;

(iii) a conviction for a violation of a statute similar to this section in another state;

(iv) if the offender was a partner or family member of the victim, a conviction for aggravated assault under 45-5-202 or assault with a weapon under 45-5-213;

(v) a conviction in another state for an offense related to domestic violence between partners or family members, as those terms are defined in this section, regardless of what the offense is named or whether it is misdemeanor or felony, if the offense involves conduct similar to conduct that is prohibited under 45-5-202, 45-5-213, or this section; or

(4) (a) An offender convicted of partner or family member assault is required to pay for and complete a counseling assessment with a focus on violence, controlling behavior, dangerousness, and chemical dependency. An investigative criminal justice report, as defined in 45-5-231, must be copied and sent to the offender intervention program, as defined in 45-5-231, to assist the counseling provider in properly assessing the offender's need for counseling and treatment. Counseling providers shall take all required precautions to ensure the confidentiality of the report. If the report contains confidential information relating to the victim's location or not related to the charged offense, that information must be deleted from the report prior to being sent to the offender intervention program.

(b) The offender shall complete all recommendations for counseling, referrals, attendance at psychoeducational groups, or treatment, including any indicated chemical dependency treatment,

made by the counseling provider. The counseling provider must be approved by the court. The counseling must include a preliminary assessment for counseling, as defined in 45-5-231. The offender shall complete a minimum of 40 hours of counseling. The counseling may include attendance at psychoeducational groups, as defined in 45-5-231, in addition to the assessment. Other issues indicated by the assessment may be addressed in additional counseling beyond the minimum 40 hours. Subsection (4)(b) does not prohibit the placement of the offender in other appropriate treatment if the court determines that there is no available treatment program directed to the violent or controlling conduct of the offender.

(5) In addition to any sentence imposed under subsections (3) and (4), after determining the financial resources and future ability of the offender to pay restitution as provided for in 46-18-242, the court shall require the offender, if able, to pay
