To Whom It May Concern:

Pursuant to MCA 90-4-403, and as directed by the Montana Legislature in 2017, attached please find a report for 2017 from the Montana Office of the Northwest Power and Conservation Council (Council). The pertinent law states that Montana Members of the NWPC shall:

“prepare and provide an annual report to the governor and to the legislature, as required by 5-11-210, and to each utility located in Montana receiving its power supply from the Bonneville Power Administration. The report must be completed by December 1 of each year and must detail council actions during the previous 12 months and the impacts of those actions on Montana utilities and residents receiving their power supply from the Bonneville power administration.”

Please contact the Montana Council office with any questions or comments.

Sincerely,

Tim Baker
