

TABLE OF CORRESPONDING CODE SECTIONS

Revised Codes 1921 and 1935 to Revised Codes 1947

This table shows the disposition of sections of the Revised Codes of 1921 and the Revised Codes of 1935 in the Revised Codes of 1947. Also shown are all repeals of sections and the disposition made of any sections which were not found in the 1947 Codes. The 1921 Codes and the 1935 Codes contained the same section numbers with the exception that sections that appeared only in the 1935 Codes and not in the 1921 Codes use a decimal, for example 25.1 and 25.2. All sections in the following table which are marked "Omitted" are, unless otherwise indicated, sections which were omitted from the 1935 or 1947 Codes because they were not part of the permanent law of the state. The Table of Corresponding Code Sections for the Revised Codes 1947 to Montana Code Annotated must be consulted to locate the sections in the MCA.
