

Study: SB 310 – Personal services budgeting

Short Title: Revise laws related to legislature and budgeting

Preliminary Analysis

**Issues as Listed in Legislation:**

Requiring a study of the budget processes including personal services

**Preliminary study approach:**

Study other governmental practices for establishing personal services budgets

- a) Survey other surrounding states – North and South Dakota, Wyoming, and Idaho
- b) Request information from National Conference on State Legislatures and the Conference on State Governments
- c) Survey other unique state processes
- d) Consider options available through IBARS budgeting software
- e) Review federal government personal services budgeting
- f) Survey current literature for best practices in personal services budgeting
