

HOUSE RULES

CHAPTER 1

Administration

H10-10. House officers – definitions. (1) House officers include a Speaker, a Speaker pro tempore, majority and minority leaders, and majority and minority whips.

(2) A majority of representatives voting elects the Speaker and Speaker pro tempore from the House membership. A majority of each caucus voting nominates House members to the remaining offices, and those nominees are considered to have been elected by a majority vote of the House.

(3) (a) “Majority leader” means the leader of the majority party, elected by the caucus.

(b) “Majority party” means the party with the most members, subject to subsection (4).

(c) “Minority leader” means the leader of the minority party, elected by the caucus.

(d) “Minority party” means the party with the second most members, subject to subsection (4).

(3) A legislative aide must be of legal age unless otherwise approved by the House Rules Committee.

H10-160. Duration of legislative day. A legislative day ends either 24 hours after the House convenes for that day or at the time the House convenes for the following legislative day, whichever is earlier. (See Joint Rule 10-20.)

CHAPTER 2

Decorum

H20-10. Addressing the House – recognition. (1) When a member desires to speak to or address any matter to the House, the member should rise and respectfully address the Speaker or the presiding officer.

(2) The Speaker or presiding officer may ask, “For what purpose does the member rise?” or “For what purpose does the member seek recognition?” and may then decide if recognition is to be granted. There is no appeal from the Speaker’s or presiding officer’s decision.

H20-20. Questions of order and privilege – appeal – restrictions. (1) The Speaker shall decide all questions of order and privilege, subject to an appeal by any representative seconded by two representatives. The question on appeal is, “Shall the decision of the chairman be sustained?”.

(2) Responses to parliamentary inquiries and decisions of recognition may not be appealed.

(3) Questions of order and privilege, in order of precedence, are:

(a) those affecting the collective rights, safety, dignity, and integrity of the House; and

(b) those affecting the rights, reputation, and conduct of individual representatives.

(4) A member may not address the House on a question of privilege between the time:

(a) an undebatable motion is offered and the vote is taken on the motion;

(b) the previous question is ordered and the vote is taken on the proposition included under the previous question; or

(c) a motion to lay on the table is offered and the vote is taken on the motion.

H20-30. Limits on lobbying. Lobbying on the House floor and in the anteroom is prohibited during a daily session, 2 hours before the session, and 2 hours after the session. A registered lobbyist is prohibited from the house floor.

H20-40. Admittance to the House floor. (1) The following persons may be admitted to the House floor during a daily

session: present legislators and former legislators who are not registered lobbyists; legislative employees necessary for the conduct of the session; registered media representatives; and members' spouses and children. The Speaker may allow exceptions to this rule.

(2) Only a member may sit in a member's chair when the House is in session.

H20-50. Dilatory motions or questions -- appeal. The House has a right to protect itself from dilatory motions or questions used for the purpose of delaying or obstructing business. The presiding officer shall decide if motions (except a call of the House) or questions are dilatory. This decision may be appealed to the House.

H20-60. Lobbying by employees -- sanctions. (1) A legislative employee or aide of either house is prohibited from lobbying, although a legislative committee may request testimony from a person so restricted.

(2) The Speaker may discipline or discharge any House employee violating this prohibition. The Speaker may withdraw the privileges of any House aide violating this prohibition.

H20-70. Papers distributed on desks -- exception. A paper concerning proposed legislation may not be placed on representatives' desks unless it is authorized by a member and permission has been granted by the Speaker. The Sergeant-at-Arms shall direct its distribution. This restriction does not apply to material prepared by staff and placed on a representative's desk at the request of the representative.

H20-80. Violation of rules -- procedure -- appeal. (1) If a member, in speaking or otherwise, violates the rules of the House, the Speaker shall, or the majority or minority leader may, call the member to order, in which case the member called to order must be seated immediately.

(2) The member called to order may move for an appeal to the House and if the motion is seconded by two members, the matter must be submitted to the House for determination by majority vote. The motion is nondebateable.

(3) If the decision of the House is in favor of the member called to order, the member may proceed. If the decision is against the member, the member may not proceed.

(4) If a member is called to order, the matter may be referred to the Rules Committee by the majority or minority leader. The

Committee may recommend to the House that the member be censured or be subject to other action. The House shall act upon the recommendation of the Committee.

CHAPTER 3

Committees

H30-10. House standing committees -- appointments -- classification. (1) (a) The Speaker shall determine the total number of members and after good faith consultation with the minority leader shall appoint the chairs, vice chairs, and members to the standing committees.

(b) The minority leader shall designate a minority vice chair for each standing committee.

(2) The standing committees of the House are as follows:

(a) class one committees:

(i) Appropriations;

(ii) Business and Labor;

(iii) Judiciary;

(iv) State Administration; and

(v) Taxation;

(b) class two committees:

(i) Education;

(ii) Energy, Technology, and Federal Relations;

(iii) Human Services;

(iv) Natural Resources; and

(v) Transportation;

(c) class three committees:

(i) Agriculture;

(ii) Fish, Wildlife, and Parks; and

(iii) Local Government; and

(d) on call committees:

(i) Ethics;

(ii) Rules; and

(iii) Legislative Administration.

(3) A class 1 committee is scheduled to meet Monday through Friday. A class 2 committee is scheduled to meet Monday, Wednesday, and Friday. A class 3 committee is scheduled to

meet Tuesday and Thursday. Unless a class is prescribed for a committee, it meets upon the call of the chair.

(4) The Legislative Council shall review the workload of the standing committees to determine if any change is indicated in the class of a standing committee for the next legislative session. The Legislative Council's recommendations must be submitted to the leadership nominated or elected at the presession caucus.

(5) There will be six subcommittees of the Committee on Appropriations, Education, General Government, Health and Human Services, Natural Resources and Transportation, Judicial Branch, Law Enforcement, and Justice, and Long-Range Planning. Each member serving on the Appropriations Committee must be appointed to at least one of the subcommittees.

(6) The Speaker shall give notice of each appointment to the Chief Clerk for publication.

(7) The Speaker may, in the Speaker's discretion or as authorized by the House, create and appoint select committees, designating the chairman and vice chairman of the select committee. Select committees may request or receive legislation in the same manner as a standing committee and are subject to the rules of standing committees.

(8) The Speaker shall appoint all conference, select, and special committees with the advice of the majority leader and minority leader.

H30-20. Chairman's duties. (1) The principal duties of the chairman of standing or select committees are to:

(a) preside over meetings of the committee and to put all questions;

(b) maintain order and decide all questions of order subject to appeal to the committee;

(c) supervise and direct staff of the committee;

(d) have the committee secretary keep the official record of the minutes;

(e) sign reports of the committee and submit them promptly to the Chief Clerk;

(f) appoint subcommittees to perform on a formal or an informal basis as provided in subsection (2); and

(g) inform the Speaker of committee activity.

(2) With the exception of the House Appropriations subcommittees, a subcommittee of a standing committee may be appointed by the chairman of the committee. The chairman of the standing committee shall appoint the chairman of the subcommittee.

H30-30. Quorum – officers as members. (1) A quorum of a committee is a majority of the members of the committee. A quorum of a committee must be present at a meeting to act officially. A quorum of a committee may transact business, and a majority of the quorum, even though it is a minority of the committee, is sufficient for committee action.

(2) The Speaker, the majority leader, and the minority leader are ex officio, nonvoting members of all House committees. They may count toward establishing a quorum.

H30-40. Meetings – purpose – notice – minutes. (1) All meetings of committees must be open to the public at all times, subject always to the power and authority of the chairman to maintain safety, order, and decorum. The date, time, and place of committee meetings must be posted.

(2) A committee or subcommittee may be assembled for:

(a) a public hearing at which testimony is to be heard and at which official action may be taken on bills, resolutions, or other matters;

(b) a formal meeting at which the committees may discuss and take official action on bills, resolutions, or other matters without testimony; or

(c) a work session at which the committee may discuss bills, resolutions, or other matters but take no formal action.

(3) All committees meet at the call of the chairman or upon the request of a majority of the members of the committee directed to and with the approval of the Speaker.

(4) All committees shall provide for and give public notice, reasonably calculated to give actual notice to interested persons, of the time, place, and subject matter of regular and special meetings. All committees are encouraged to provide at least 3 legislative days notice to members of committees and the general public. However, a meeting may be held upon notice appropriate to the circumstances.

(5) A committee may not meet during the time the House is in session without leave of the Speaker. Any member attending

such a meeting must be considered excused to attend business of the House subject to a call of the House.

(6) All meetings of committees must be recorded and the minutes must be available to the public within a reasonable time after the meeting. The official record must contain at least the following information:

(a) the time and place of each meeting of the committee;

(b) committee members present, excused, or absent;

(c) the names and addresses of persons appearing before the committee, whom each represents, and whether the person is a proponent, opponent, or other witness;

(d) all motions and their disposition;

(e) the results of all votes;

(f) references to the recording log, sufficient to serve as an index to the original recording; and

(g) testimony and exhibits submitted in writing.

H30-50. Procedures – absentee or proxy voting – member privileges. (1) The chairman shall notify the sponsor of any bill pending before the committee of the time and place it will be considered.

(2) A standing or select committee may not take up referred legislation unless the sponsor or one of the cosponsors is present or unless the sponsor has given written consent. The chairman shall attempt to not schedule Senate bills while the Senate is in session.

(3) (a) Subject to subsection (3)(b), the committee shall act on each bill in its possession:

(i) by reporting the bill out of the committee:

(A) with the recommendation that it be referred to another committee;

(B) favorably as to passage; or

(C) unfavorably; or

(ii) by tabling the measure in committee.

(b) Except as provided in subsection (3)(c), at the written request of the sponsor made at least 48 hours prior to a scheduled hearing, a bill may be withdrawn by the sponsor

without a hearing. A bill may not be reported from a committee without a hearing.

(c) A bill may not be withdrawn by the sponsor after a hearing.

(4) The committee may not report a bill to the House without recommendation.

(5) The committee may recommend that a bill on which it has made a favorable recommendation by unanimous vote be placed on the consent calendar. A tie vote in a standing committee on the question of a recommendation to the whole House on a matter before the committee, for example on a question of whether a bill is recommended as “do pass” or “do not pass”, does not result in the matter passing out to the whole House for consideration without recommendation.

(6) In reporting a measure out of committee, a committee shall include in its report:

(a) the measure in the form reported out;

(b) the recommendation of the committee;

(c) an identification of all substantive changes; and

(d) a fiscal note, if required and available.

(7) If a measure is withdrawn from a committee and brought to the House floor for debate on second reading on that day without a committee recommendation, the bill does not include amendments formally adopted by the committee because committee amendments are merely recommendations to the House that are formally adopted when the committee report is accepted by the House.

(8) A second to any motion offered in a committee is not required in order for the motion to be considered by the committee.

(9) The vote of each member on all committee actions must be recorded. All motions may be adopted only on the affirmative vote of a majority of the members voting. Standing and select committees may by a majority vote of the committee authorize members to vote by proxy if absent, while engaged in other legislative business or when excused by the presiding officer of the committee due to illness or an emergency. Authorization for absentee or proxy voting must be reflected in the committee minutes.

(10) A motion to take a bill from the table may be adopted by

the affirmative vote of a majority of the members present at any meeting of the committee.

(11) An action formally taken by a committee may not be altered in the committee except by reconsideration and further formal action of the committee.

(12) A committee may reconsider any action as long as the matter remains in the possession of the committee. A committee member need not have voted with the prevailing side in order to move reconsideration.

(13) Any legislation requested by a committee requires three-fourths of all members of the committee to vote in favor of the question to allow the committee to request the drafting or introduction of legislation. Votes requesting drafting and introduction of committee legislation may be taken jointly or separately.

(14) The chairman shall decide points of order.

(15) The privileges of committee members include the following:

(a) to participate freely in committee discussions and debate;

(b) to offer motions;

(c) to assert points of order and privilege;

(d) to question witnesses upon recognition by the chairman;

(e) to offer any amendment to any bill; and

(f) to vote, either by being present or by proxy if authorized pursuant to subsection (9), using a standard form or through the vice chairman or minority vice chairman.

(16) Any meeting of a committee held through the use of telephone or other electronic communication must be conducted in accordance with Chapter 3 of the House Rules.

(17) A committee may consolidate into one bill any two or more related bills referred to it whenever legislation may be simplified by the consolidation.

(18) Committee procedure must be informal, but when any questions arise on committee procedure, the rules or practices of the House are applicable except as stated in the House Rules.

H30-60. Public testimony – decorum – time restrictions.

(1) Testimony from proponents, opponents, and informational witnesses must be allowed on every bill or resolution before a standing or select committee. All persons, other than the

sponsor, offering testimony shall register on the committee witness list.

(2) Any person wishing to offer testimony to a committee hearing a bill or resolution must be given a reasonable opportunity to do so, orally or in writing. Written testimony may not be required of any witness, but all witnesses must be encouraged to submit a statement in writing for the committee's official record.

(3) The chairman may order the committee room cleared of visitors if there is disorderly conduct. During committee meetings, visitors may not speak unless called upon by the chairman. Restrictions on time available for testimony may be announced.

(4) The number of people in a committee room may not exceed the maximum posted by the State Fire Marshal. The chairman shall maintain that limit.

(5) In any committee meeting, the use of cameras, television, radio, or any form of telecommunication equipment is allowed, but the chairman may designate the areas of the hearing room from which the equipment must be operated. Cell phone use is allowed only at the discretion of the chairman.

CHAPTER 4

Legislation

H40-10. Introduction deadlines. If a representative accepts drafted legislation from the Legislative Services Division after the deadline for preintroduction, the representative may not introduce that legislation after 2 legislative days from the time the bill was accepted from the Legislative Services Division.

H40-20. House resolutions. (1) A House resolution is used to adopt or amend House rules, make recommendations on the districting and apportionment plan (Montana Constitution, Art. V, Sec. 14), express the sentiment of the House, or assist House operations.

(2) As to drafting, introduction, and referral, a House resolution is treated as a bill. A House resolution may be requested and introduced at any time. Final passage of a House resolution is determined by the Committee of the Whole report. A House resolution does not progress to third reading.

(3) The Chief Clerk shall transmit a copy of each passed House resolution to the Senate and the Secretary of State.

H40-30. Cosponsors. (1) Prior to submitting legislation to the Chief Clerk for introduction, the chief sponsor may add representatives and senators as cosponsors. A legislator shall sign the cosponsor form attached to the legislation in order to be added as a cosponsor.

(2) After legislation is submitted for introduction but before the legislation returns from the first House committee, the chief sponsor may add or remove cosponsors by filing a cosponsor form with the Chief Clerk. This filing must be noted by the Chief Clerk for the record on Order of Business No. 11.

H40-40. Introduction -- receipt -- messages from Senate and elected officials. (1) During a session, proposed House legislation may be introduced in the House by submitting it, endorsed with the signature of a representative as chief sponsor, to the Chief Clerk for introduction. Except for the first 15 bill numbers that may be reserved for preintroduced legislation, in each session of the Legislature, the proposed legislation must be numbered consecutively by type in the order of receipt. Submission and numbering of properly endorsed legislation constitutes introduction.

(2) Preintroduction of legislation prior to a session under

provisions of the joint rules constitutes introduction in the House.

(3) Acknowledgment by the Chief Clerk of receipt of legislation or other matters transmitted from the Senate for consideration by the House constitutes introduction of the Senate legislation in the House or receipt by the House for purposes of applying time limits contained in the House rules. All legislation may be referred to a committee prior to being read across the rostrum as provided in H40-50.

(4) Acknowledgment by the Chief Clerk of receipt of messages from the Senate or other elected officials constitutes receipt by the House for purposes of any applicable time limit. Senate legislation or messages received from the Senate or elected officials are subject to all other rules.

H40-50. First reading – receipt of Senate legislation. Legislation properly introduced or received in the House must be announced across the rostrum and public notice provided. This announcement constitutes first reading, and no debate or motion is in order except that a representative may question adherence to rules. Acknowledgment by the Chief Clerk of receipt of legislation transmitted from the Senate commences the time limit for consideration of the legislation. All legislation received by the House may be referred to a committee prior to being read across the rostrum.

H40-60. One reading per day – exception. Except on the final legislative day, legislation may receive no more than one reading per legislative day. On the final legislative day, legislation may receive more than one reading.

H40-70. Referral. (1) The Speaker shall refer to a House committee, joint select committee, or joint special committee all properly introduced House legislation and transmitted Senate legislation in conformity to the committee jurisdiction.

(2) Legislation may not receive final passage and approval unless it has been referred to a House committee, joint select committee, or joint special committee.

H40-80. Rereferral – Appropriations Committee rereferral – normal progression. (1) Except as provided in subsection (2), legislation that is in the possession of the House and that has not been finally disposed of may be rereferred to a House committee by House motion approved by not less than three-fifths of the members present and voting.

(2) (a) Legislation that is in the possession of the House and that has been reported from a committee with a do pass or be concurred in recommendation may be rereferred to a House committee by a majority vote.

(b) (i) With the consent of the majority leader, the minority leader, and the bill sponsor, legislation that has passed second reading in the Committee of the Whole and that has been rereferred to the Appropriations Committee pursuant to H40-80(2)(a) and is reported from committee without amendments may be placed on third reading.

(ii) Prior to being placed on third reading, legislation rereferred pursuant to H40-80(2)(b)(i) must be sent to be processed and reproduced as a third reading version and specifically marked as having been passed on second reading and rereferred to the House Appropriations Committee and reported from the committee without amendments.

(3) The normal progress of legislation through the House consists of the following steps in the order listed: introduction; referral to a standing or select committee; a report from the committee; second reading; and third reading.

H40-90. Legislation withdrawn from committee. Legislation may be withdrawn from a House committee by House motion approved by not less than three-fifths of the members present and voting.

H40-100. Standing committee reports – requirement for rejection of adverse committee report. (1) A House standing committee recommendation of “do pass” or “be concurred in” must be announced across the rostrum and, if there is no objection to form, is considered adopted.

(2) A recommendation of “do not pass” or “be not concurred in” must be announced across the rostrum and, on the following legislative day, may be debated and adopted or rejected on Order of Business No. 2. A motion to reject an adverse committee report must be approved by not less than three-fifths of the members voting. Failure to adopt a motion to reject an adverse committee report constitutes adoption of the report.

(3) If the House rejects an adverse committee report, the bill progresses to second reading, as scheduled by the Speaker, with any amendments recommended by the committee.

H40-110. Consent calendar procedure. (1) Noncontroversial bills and simple and joint resolutions may be recommended for

the consent calendar by a standing committee and processed according to the following provisions:

(a) To be eligible for the consent calendar, the legislation must receive a unanimous vote by the members of the standing committee in attendance (do pass, do pass as amended). In addition, a motion must be made and passed unanimously to place the legislation on the consent calendar and this action reflected in the committee report. Appropriation or revenue bills may not be recommended for the consent calendar.

(b) The legislation must then be sent to be processed and reproduced as a third reading version and specifically marked as a “consent calendar” item.

(2) Other legislation may be placed on the consent calendar by agreement between the Speaker and the minority leader following a positive recommendation by a standing committee. The legislation must be sent to be processed as a second reading version but must be specifically announced and posted as a “consent calendar” item.

(3) Legislation must be posted immediately (as soon as it is received appropriately printed) on the consent calendar and must remain there for 1 legislative day before consideration under Order of Business No. 11, special orders of the day. At that time, the presiding officer shall announce consideration of the consent calendar and allow “reasonable time” for questions and answers upon request. No debate is allowed.

(4) If any one representative submits a written objection to the placement of legislation on the consent calendar, the legislation must be removed from the consent calendar and added to the regular second reading board.

(5) Consent calendar legislation will be considered on Order of Business No. 8, third reading of bills, following the regular third reading agenda, as separately noted on the agenda.

(6) Legislation on the consent calendar must be considered individually with the roll call vote spread on the journal as the final vote in the House.

(7) Legislation passed on the consent calendar must then be transmitted to the Senate. Legislation must be appropriately printed prior to transmittal.

H40-120. Legislation requiring other than a majority vote. Legislation that requires other than a majority vote for final passage needs only a majority vote for any action that

is taken prior to third reading and that normally requires a majority vote.

H40-130. Amending House second and third reading agendas – vote requirements. (1) A majority of representatives present may rearrange or remove legislation from either the second or third reading agenda on that legislative day.

(2) Legislation may be added to the second or third reading agenda on that legislative day on a motion approved by not less than three-fifths of the members present and voting.

H40-140. Second reading – timing – obverse vote on failed motion – status of amendments – rejection of report – segregation. (1) Legislation returned or withdrawn from committee by motion must be placed on second reading prior to the transmittal deadlines provided for in Joint Rule 40-200 that are applicable to each piece of legislation.

(2) The House shall form itself into a Committee of the Whole to consider business on second reading. The Committee of the Whole may debate legislation, attach amendments, and recommend approval or disapproval of legislation.

(3) Except on the final legislative day, at least 1 legislative day must elapse between the time legislation is reported from committee and the time it is considered on second reading.

(4) If a motion to recommend that a bill “do pass” or “be concurred in” fails in the Committee of the Whole, the obverse, i.e., a recommendation that the bill “do not pass” or “be not concurred in”, is considered to have passed. If a motion to recommend that a bill “do not pass” or “be not concurred in” fails in the Committee of the Whole, the obverse, i.e., a recommendation that the bill “do pass” or “be concurred in”, is considered to have passed.

(5) An amendment attached to legislation by the Committee of the Whole remains unless removed by further legislative action.

(6) When the Committee of the Whole reports to the House, the House shall adopt or reject the Committee of the Whole report. If the House rejects the Committee of the Whole report, the legislation remains on second reading, as amended by the Committee of the Whole, unless the House orders otherwise.

(7) A representative may move to segregate legislation from the Committee of the Whole report before the report is adopted. Segregated legislation, as amended by the Committee of the

Whole, must be placed on second reading unless the House orders otherwise. Amendments adopted by the Committee of the Whole on segregated legislation remain adopted unless reconsidered pursuant to H50-170 or unless the legislation is rereferred to a committee.

H40-150. Amendments in the Committee of the Whole – timing – official records. (1) All Committee of the Whole amendments must be prepared by the Legislative Services Division and checked by the House amendments coordinator for format, style, clarity, consistency, and other factors, in accordance with the most recent Bill Drafting Manual published by the Legislative Services Division, before the amendment may be accepted at the rostrum. The amendment form must include the date and time the amendment is submitted for that check.

(2) An amendment submitted to the rostrum for consideration by the Committee of the Whole must be marked as checked by the amendments coordinator and signed by a representative. Unless the majority leader, the minority leader, and sponsor agree, amendments must be printed and placed on the members' desks prior to consideration.

(3) An amendment may not be proposed until the sponsor has opened on a bill.

(4) A copy of every amendment rejected by the Committee of the Whole must be kept as part of the official records.

(5) An amendment may not change the original purpose of the bill.

H40-160. Motions in the Committee of the Whole – quorum required. (1) When the House resolves itself into a Committee of the Whole, the only motions in order are to:

- (a) recommend passage or nonpassage;
- (b) recommend concurrence or nonconcurrence (Senate amendments to House legislation);
- (c) amend;
- (d) reconsider as provided in H50-170;
- (e) pass consideration;
- (f) call for cloture;
- (g) change the order in which legislation is placed on the agenda; and

(h) rise, rise and report, or rise and report progress and beg leave to sit again.

(2) Subsections (1)(d) through (1)(f) and (1)(h) are nondebatable but may be amended. Once a motion under subsection (1)(a) or (1)(b) is made, a contrary motion is not in order.

(3) The motions listed in subsection (1) may be made in descending order as listed.

(4) If a quorum of representatives is not present during second reading, the Committee of the Whole may not conduct business on legislation and a motion for a call of the House without a quorum is in order.

H40-170. Limits on debate in the Committee of the Whole. (1) Except as provided in H40-180, a representative may not speak more than once on the motion and may speak for no more than 5 minutes. The representative who makes the motion may speak a second time for 5 minutes in order to close.

(2) (a) Except as provided in subsection (2)(b), after at least two proponents and two opponents have spoken on a question and 30 minutes have elapsed from the point in time that the sponsor's opening remarks on the motion end and debate on the motion begins, a motion to call for cloture is in order.

(b) (i) The 30-minute tolling requirement for a cloture motion made pursuant to subsection (2)(a) does not include time spent on floor debate of a substitute motion to amend the original question.

(ii) Each substitute motion to amend the original question is subject to a cloture motion and the cloture requirements provided for in this rule.

(iii) Once a substitute motion to amend is dispensed with and there are no other substitute motions to amend, the 30-minute tolling requirement for the original question pursuant to subsection (2)(a) resumes from the point in time in which the first substitute motion to amend was made.

(c) Approval by not less than two-thirds of the members present and voting is required to sustain a motion for cloture. Notwithstanding the passage of a motion to end debate, the sponsor of the motion on which debate was ended may close.

(3) By previous agreement of the majority leader and the minority leader:

(a) a lead proponent and a lead opponent may be granted additional time to speak on a bill;

(b) a bill or resolution may be allocated a predetermined amount of time for debate and number of speakers.

H40-180. Special provisions for debate on the general appropriations bill -- sections -- amendments. (1) The Appropriations Committee chairman, in presenting the bill, is not subject to the 5-minute speaking limitation.

(2) Each appropriations subcommittee chairman shall fully present the chairman's portion of the bill. A subcommittee chairman is not subject to the 5-minute speaking limitation.

(3) After the presentation by the subcommittee chairman, the respective section of the bill is open for debate, questions, and amendments. A proposed amendment to the general appropriations act may not be divided.

(4) An amendment that affects more than one section of the bill must be offered when the first section affected is considered.

(5) Following completion of the debate on each section, that section is closed and may not be reopened except by majority vote.

(6) If a member moves to reopen a section for amendment, only the amendment of that member may be entertained. Another member wishing to amend the same section shall make a separate motion to reopen the section.

(7) Debate on the motion to reopen a section is limited to the question of reopening the section. The amendment itself may not be debated at that time. This limitation does not prohibit the member from explaining the amendment to be considered.

H40-190. Engrossing. (1) After legislation is passed on second reading, it must be engrossed within 48 hours under the direction of the Speaker. The Speaker may grant additional time for engrossing.

(2) When the legislation that has passed second reading, as amended, has been correctly engrossed, it must be placed on third reading on the following legislative day. If the bill is not amended, the bill must be sent to printing and must be placed on third reading on the legislative day after receipt. On the final legislative day, the correctly engrossed legislation may be placed on third reading on the same legislative day. For the purposes of this rule, "engrossing" means placing amendments in a bill. (See Joint Rule 40-150.)

H40-200. Third reading. (1) All bills, joint resolutions, and Senate amendments to House bills and joint resolutions passing second reading must be placed on third reading the day following the receipt of the engrossing or other appropriate printing report.

(2) Legislation on third reading may not be amended or debated.

(3) The Speaker shall state the question on legislation on third reading. If a majority of the representatives voting does not approve the legislation, it fails to pass third reading.

H40-210. Senate legislation in the House. Senate legislation properly transmitted to the House must be treated as House legislation.

H40-220. Senate amendments to House legislation. (1) When the Senate has properly returned House legislation with Senate amendments, the House shall announce the amendments on Order of Business No. 4, and the Speaker shall place them on second reading for debate. The Speaker may rerefer House legislation with Senate amendments to a committee for a hearing if the Senate amendments constitute a significant change in the House legislation. The second reading vote is limited to consideration of the Senate amendments.

(2) If the House accepts Senate amendments, the House shall place the final form of the legislation on third reading to determine if the legislation, as amended, is passed or if the required vote is obtained.

(3) If the House rejects the Senate amendments, the House may request the Senate to recede from its amendments or may direct appointment of a conference committee and request the Senate to appoint a like committee.

H40-230. Conference committee reports. (1) When a House conference committee files a report, the report must be announced under Order of Business No. 3.

(2) The House may debate and adopt or reject the conference committee report on second reading on any legislative day. The House may reconsider its action in rejecting a conference committee report under rules for reconsideration, H50-160.

(3) If both the House and the Senate adopt the same conference committee report on legislation requiring more than a majority vote for final passage, the House, following approval of the conference committee report on third reading, shall place the

final form of the legislation on third reading to determine if the required vote is obtained.

(4) If the House rejects a conference committee report, the committee continues to exist unless dissolved by the Speaker or by motion. The committee may file a subsequent report.

(5) A House conference committee may confer regarding matters assigned to it with any Senate conference committee with like jurisdiction and submit recommendations for consideration of the House.

H40-240. Enrolling. (1) When House legislation has passed both houses, it must be enrolled within 48 hours under the direction of the Speaker. The Speaker may grant additional time for enrolling.

(2) The chief sponsor of the legislation shall examine the enrolled legislation and, if it has no enrolling errors, shall, within 1 legislative day, certify the legislation as correctly enrolled.

(3) The correctly enrolled legislation must be delivered to the Speaker, who shall sign the legislation.

(4) After the legislation has been reported correctly enrolled but before it is signed, any representative may examine the legislation. (See Joint Rule 40-160.)

H40-250. Governor's amendments. (1) When the Governor returns a bill with recommended amendments, the House shall announce the amendments under Order of Business No. 5.

(2) The House may debate and adopt or reject the Governor's recommended amendments on second reading on any legislative day.

(3) If both the House and the Senate accept the Governor's recommended amendments on a bill that requires more than a majority vote for final passage, the House shall place the final form of the legislation on third reading to determine if the required vote is obtained.

H40-260. Governor's veto. (1) When the Governor returns a bill with a veto, the House shall announce the veto under Order of Business No. 5.

(2) On any legislative day, a representative may move to override the Governor's veto by a two-thirds vote under Order of Business No. 9.

CHAPTER 5

H50-10. Attendance – excuse – call of the House. (1) A representative, unless excused, is required to be present at every sitting of the House.

(2) A representative may request in writing to be excused for a specified cause by the representative's party leader. This excused absence is not a leave with cause from a call of the House.

H50-20. Quorum. (1) A quorum of the House is fifty-one representatives (Montana Constitution, Art. V, Sec. 10).

(2) Any representative may question the lack of a quorum at any time a vote is not being taken. The question is nondebatable, may not be amended, and is resolved by a roll call.

(3) The House may not conduct business without a quorum, except that representatives present may convene, compel the attendance of absent representatives, or adjourn.

H50-30. Call of the House without a quorum. (1) In the absence of a quorum, a majority of the representatives present may compel the attendance of absent representatives through a call of the House without a quorum. The motion for the call is nondebatable, may not be amended, and is in order at any time it has been established that a quorum is not present.

(2) During a call of the House, all business is suspended. No motion is in order except a motion to adjourn or to remove the call.

(3) When a quorum has been achieved under the call, the call is automatically lifted. The call may also be lifted by adjournment or by two-thirds of the representatives present and voting.

H50-50. Leave with cause during call of the House. (1) During a call of the House, a representative with an overriding medical or personal reason may request a leave with cause.

(2) If the representative is present at the time of the call, the Speaker may approve a request for a leave with cause.

(3) If the representative is not present at the time of the call, two-thirds of the representatives present and voting may approve a request for leave with cause.

(4) During a call of the House, a representative on leave with cause may not cast an absentee vote.

H50-60. Opening and order of business. The opening of each legislative day must include an invocation, the pledge of allegiance, and roll call. Following the opening, the order of business of the House is as follows:

H50-70. Motions. (1) Any representative may propose a motion allowed by the rules for the order of business under which the motion is offered for the consideration of the House. Unless otherwise specified in rule or law, a majority of representatives voting is necessary and sufficient to decide a motion.

- (2) Seconds to motions on the House floor are not required.
- (3) Absentee votes are not allowed on votes that are specified as “representatives present and voting”.
- (4) The majority leader shall make routine procedural motions required to conduct the business of the House.

H50-80. Limits on debate of debatable motions. (1) Except for the representative who places a debatable motion before the body, no representative may speak more than once on the question unless a unanimous House consents. The representative who places the motion may close.

- (2) No representative may speak for more than 10 minutes on the same question, except that a representative may have 5 minutes to close.

H50-90. Nondebatable motions. (1) A representative has the right to understand any question before the House and, usually under the administration of the presiding officer, may ask questions to exercise this right.

(2) The following motions are nondebatable:

(3) A motion for a call of the House, for the previous question, to table, or to take from the table may not be amended.

H50-120. Substitute motions. (1) When a question is before the House, no substitute motion may be made except the following, which have precedence in the order listed:

H50-140. Dividing a question. Except as provided in H40-180(3), a representative may request to divide a question as a matter of right if it includes two or more propositions so distinct that they can be separated and if at least one substantive question remains after one substantive question is removed. The request is nondebatable under H50-90. The presiding officer may rule that a question is nondivisible. The ruling of the chair may be appealed as provided in H50-160(14) or (16) and H70-50. For an appeal of a ruling of the presiding officer, the question for the house must be stated as, "Shall the ruling of the chair be upheld?"

H50-150. Previous question – close. (1) If a majority of representatives present and voting adopts a motion for the previous question, debate is closed on the question and it must be brought to a vote. The Speaker may not entertain a motion to end debate unless at least one proponent and one opponent have spoken on the question.

(2) Notwithstanding the passage of a motion to end debate, the sponsor of the motion on which debate was ended may close.

H50-160. Questions requiring other than a majority vote. The following questions require the vote specified for each condition:
