

**To: Economic Affairs Interim Committee**  
**From: Bart Campbell**  
**Re: Rule Review for July 14, 2006 meeting**

**Issue #9**

**Board of Housing**

Amending 8.111.409 Cash Advances to increase amount from \$10,000 to \$30,000 as amount that may be advanced at time of closing to satisfy property liens.

**Issue #10**

**Department of Agriculture**

Various changes to 4.13.1001A Grain Fee Schedule including office hours and what inspections will include.

**Department of Labor**

Amending prevailing wage rates and Occupational Safety and Health Code to conform with 2006 language.

**Issue #11**

**Board of Speech-Language Pathologists and Audiologists**

General revision of rules as part of Board's periodic review of rules, making technical changes, updating language, updating statutory references, and reorganizing and renumbering rules for easier reference and use.

**Department of Labor**

Increasing license fees for weighing and measuring devices in order for the fees to be commensurate with costs.

**Department of Livestock**

Increasing diagnostic laboratory fees due to increased cost of administering the diagnostic services.

**Issue #12**

**Department of Labor**

Adoption by reference of American National Standards Institute B30.5 providing minimum requirements and standards for the operation of crane and hoist equipment.

**State Auditor**

With respect to small business health insurance purchasing pools and premium assistance increasing businesses eligible from those with 2 to 5 employees to those with 2 to 9 employees.
