**** Bill No. ****

Introduced By *****

By Request of the *****

A Bill for an Act entitled: "An Act revising the definition of specialty hospital; providing additional licensing requirements; and providing an effective date."

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 50-5-101, MCA, is amended to read:

"50-5-101. Definitions. As used in parts 1 through 3 of this chapter, unless the context clearly indicates otherwise, the following definitions apply:

(1) "Accreditation" means a designation of approval.

(2) "Accreditation association for ambulatory health care" means the organization nationally recognized by that name that surveys ambulatory surgical centers upon their requests and grants accreditation status to the ambulatory surgical centers that it finds meet its standards and requirements.

(3) "Activities of daily living" means tasks usually performed in the course of a normal day in a resident's life that include eating, walking, mobility, dressing, grooming, bathing, toileting, and transferring.

(4) "Adult day-care center" means a facility, freestanding or connected to another health care facility, that provides adults, on a regularly scheduled basis, with the care necessary

to meet the needs of daily living but that does not provide overnight care.

(5) (a) "Adult foster care home" means a private home or other facility that offers, except as provided in 50-5-216, only light personal care or custodial care to four or fewer disabled adults or aged persons who are not related to the owner or manager of the home by blood, marriage, or adoption or who are not under the full guardianship of the owner or manager.

(b) As used in this subsection (5), the following definitions apply:

(i) "Aged person" means a person as defined by department rule as aged.

(ii) "Custodial care" means providing a sheltered, family-type setting for an aged person or disabled adult so as to provide for the person's basic needs of food and shelter and to ensure that a specific person is available to meet those basic needs.

(iii) "Disabled adult" means a person who is 18 years of age or older and who is defined by department rule as disabled.

(iv) (A) "Light personal care" means assisting the aged person or disabled adult in accomplishing such personal hygiene tasks as bathing, dressing, and hair grooming and supervision of prescriptive medicine administration.

(B) The term does not include the administration of prescriptive medications.

(6) "Affected person" means an applicant for a certificate of need, a health care facility located in the geographic area

affected by the application, an agency that establishes rates for health care facilities, or a third-party payer who reimburses health care facilities in the area affected by the proposal.

(7) "Assisted living facility" means a congregate residential setting that provides or coordinates personal care, 24-hour supervision and assistance, both scheduled and unscheduled, and activities and health-related services.

(8) "Capital expenditure" means:

(a) an expenditure made by or on behalf of a health care facility that, under generally accepted accounting principles, is not properly chargeable as an expense of operation and maintenance; or

(b) a lease, donation, or comparable arrangement that would be a capital expenditure if money or any other property of value had changed hands.

(9) "Certificate of need" means a written authorization by the department for a person to proceed with a proposal subject to 50-5-301.

(10) "Chemical dependency facility" means a facility whose function is the treatment, rehabilitation, and prevention of the use of any chemical substance, including alcohol, that creates behavioral or health problems and endangers the health, interpersonal relationships, or economic function of an individual or the public health, welfare, or safety.

(11) "Clinical laboratory" means a facility for the microbiological, serological, chemical, hematological, radiobioassay, cytological, immunohematological, pathological, or

other examination of materials derived from the human body for the purpose of providing information for the diagnosis, prevention, or treatment of a disease or assessment of a medical condition.

(12) "College of American pathologists" means the organization nationally recognized by that name that surveys clinical laboratories upon their requests and accredits clinical laboratories that it finds meet its standards and requirements.

(13) "Commission on accreditation of rehabilitation facilities" means the organization nationally recognized by that name that surveys rehabilitation facilities upon their requests and grants accreditation status to a rehabilitation facility that it finds meets its standards and requirements.

(14) "Comparative review" means a joint review of two or more certificate of need applications that are determined by the department to be competitive in that the granting of a certificate of need to one of the applicants would substantially prejudice the department's review of the other applications.

(15) "Congregate" means the provision of group services designed especially for elderly or disabled persons who require supportive services and housing.

(16) "Construction" means the physical erection of a health care facility and any stage of the physical erection, including groundbreaking, or remodeling, replacement, or renovation of an existing health care facility.

(17) "Council on accreditation" means the organization nationally recognized by that name that surveys behavioral

facilities, intermediate care facilities for the developmentally disabled, medical assistance facilities, mental health centers, outpatient centers for primary care, outpatient centers for surgical services, rehabilitation facilities, residential care facilities, and residential treatment facilities.

(b) The term does not include offices of private physicians, dentists, or other physical or mental health care workers regulated under Title 37, including licensed addiction counselors.

(24) "Home health agency" means a public agency or private organization or subdivision of the agency or organization that is engaged in providing home health services to individuals in the places where they live. Home health services must include the services of a licensed registered nurse and at least one other therapeutic service and may include additional support services.

(25) "Home infusion therapy agency" means a health care facility that provides home infusion therapy services.

(26) "Home infusion therapy services" means the preparation, administration, or furnishing of parenteral medications or parenteral or enteral nutritional services to an individual in that individual's residence. The services include an educational component for the patient, the patient's caregiver, or the patient's family member.

(27) "Hospice" means a coordinated program of home and inpatient health care that provides or coordinates palliative and supportive care to meet the needs of a terminally ill patient and the patient's family arising out of physical, psychological,

spiritual, social, and economic stresses experienced during the final stages of illness and dying and that includes formal bereavement programs as an essential component. The term includes:

(a) an inpatient hospice facility, which is a facility managed directly by a medicare-certified hospice that meets all medicare certification regulations for freestanding inpatient hospice facilities; and

(b) a residential hospice facility, which is a facility managed directly by a licensed hospice program that can house three or more hospice patients.

(28) (a) "Hospital" means a facility providing, by or under the supervision of licensed physicians, services for medical diagnosis, treatment, rehabilitation, and care of injured, disabled, or sick individuals. Except as otherwise provided by law, services provided may or may not include obstetrical care, emergency care, or any other service allowed by state licensing authority. A hospital has an organized medical staff that is on call and available within 20 minutes, 24 hours a day, 7 days a week, and provides 24-hour nursing care by licensed registered nurses. The term includes:

(i) hospitals specializing in providing health services for psychiatric, developmentally disabled, and tubercular patients; and

(ii) specialty hospitals.

(b) The term does not include critical access hospitals.

(29) "Infirmarium" means a facility located in a university,

college, government institution, or industry for the treatment of the sick or injured, with the following subdefinitions:

(a) an "infirmary--A" provides outpatient and inpatient care;

(b) an "infirmary--B" provides outpatient care only.

(30) (a) "Intermediate care facility for the developmentally disabled" means a facility or part of a facility that provides intermediate developmental disability care for two or more persons.

Section 2. Section 50-5-245, MCA, is amended to read:

"50-5-245. Department to license specialty hospitals -- standards -- rulemaking -- moratorium definitions. (1) Subject to subsection (4), the department shall license specialty hospitals using the requirements for licensure of hospitals and the procedure provided for in parts 1 and 2 of this chapter. The department must receive prior to licensing a specialty hospital the following documents:

(a) a copy of the following sent or received by the applicant specialty hospital:

(i) letters of invitation to each nonprofit community hospital in a 35-mile radius of the proposed site of the

applicant specialty hospital offering the nonprofit community hospital a right to participate in a joint venture with the applicant specialty hospital; and

(ii) replies, if any, from the letters sent in subsection (1) (a) (i);

(b) a description of charity care policies to be used by the applicant specialty hospital. If the applicant specialty hospital is a joint venture with a nonprofit community hospital, the charity care guidelines must use the same ratio and mix of payers for patients as used by the nonprofit community hospital. If the applicant specialty hospital is not a joint venture, the applicant specialty hospital shall provide an explanation of its charity care policy, which must meet a basic standard.

(c) a transfer agreement with a nonprofit community hospital in the same health service area that covers both transfers to the general hospital and transfers from the nonprofit community hospital. The transfer agreement must include the applicant specialty hospital's process for patient stabilization and the transfer requirements for a situation in which the applicant specialty hospital cannot provide continuing care for a patient because of the applicant specialty hospital's scope of services;

(d) a conflict of interest policy that includes the following:

(i) a requirement that a physician investor who refers patients to the specialty hospital may own no more than 2% of the overall investment and must be engaged in any referred patient's direct care; and

(ii) a prohibition on a physician investor using a dummy business entity to increase ownership shares.

(2) The department shall adopt rules that are necessary to implement and administer this section.

(3) Notwithstanding the requirements of subsection (1), the department may not license a specialty hospital until July 1, 2009.

(4) A health care facility licensed by the department and in existence on May 8, 2007, may not change its licensure status in order to qualify for licensure as a specialty hospital unless the health care facility is licensed as a hospital.

(5) For the purposes of this section, the following definitions apply:

(a) "Joint venture" means a for-profit business entity licensed under Title 35 that has one or more partnering investors.

(b) "Transfer agreement" means an agreement to move a patient between a specialty hospital and a nonprofit community hospital in the health service area that serves both."
