Helena, Montana 59620

Dear Secretary of State McCulloch:

Pursuant to Article V, section 14(3), of the Constitution of the State of Montana, the Montana Districting and Apportionment Commission has adopted a final plan for the state's congressional district.

On March 15, 2011, the Montana Legislative Services Division received the P.L. 94-171 final census population data, which triggered the 90-day period within which the commission must develop and file with the Office of the Secretary of State a final congressional redistricting plan. The commission held a public hearing on the plan on May 16, 2011, as required by section 5-1-108, MCA.

The Montana Districting and Apportionment Commission has met its constitutional and statutory requirements for congressional districting and respectfully files its final plan as follows:

The State of Montana, in its entirety, comprises one congressional district.

Jim Regnier, Presiding Officer

Linda Vaughey, Commissioner

Joe Lamson, Commissioner

Jon Bennion, Commissioner

Pat Smith, Commissioner
