

I support the Communities Plan because it:

- Guarantees our constitutional right of one person, one vote,
- Respects existing communities across Montana, including small towns, rural communities, cities, and suburban areas,
- Keeps intact more small towns than any other proposed plan,
- Provides strong protection of minority voting rights, so American Indian citizens can fully participate in our political process, and
- Creates a fair balance so that no one political party gains monopoly control of the Legislature.

I support the Communities Plan because it:

- Guarantees our constitutional right of one person, one vote,
- Respects existing communities across Montana, including small towns, rural communities, cities, and suburban areas,
- Keeps intact more small towns than any other proposed plan,
- Provides strong protection of minority voting rights, so American Indian citizens can fully participate in our political process, and
- Creates a fair balance so that no one political party gains monopoly control of the Legislature.
