Factors Affecting Eyewitness ID

Estimator Variables: Factors at the crime scene that cannot be controlled such as lighting, distance, weather, stress, presence of a weapon.

System Variables: Factors that law enforcement can control to prevent ‘memory contamination’ such as the way lineups are conducted.

Eyewitness ID Best Practices

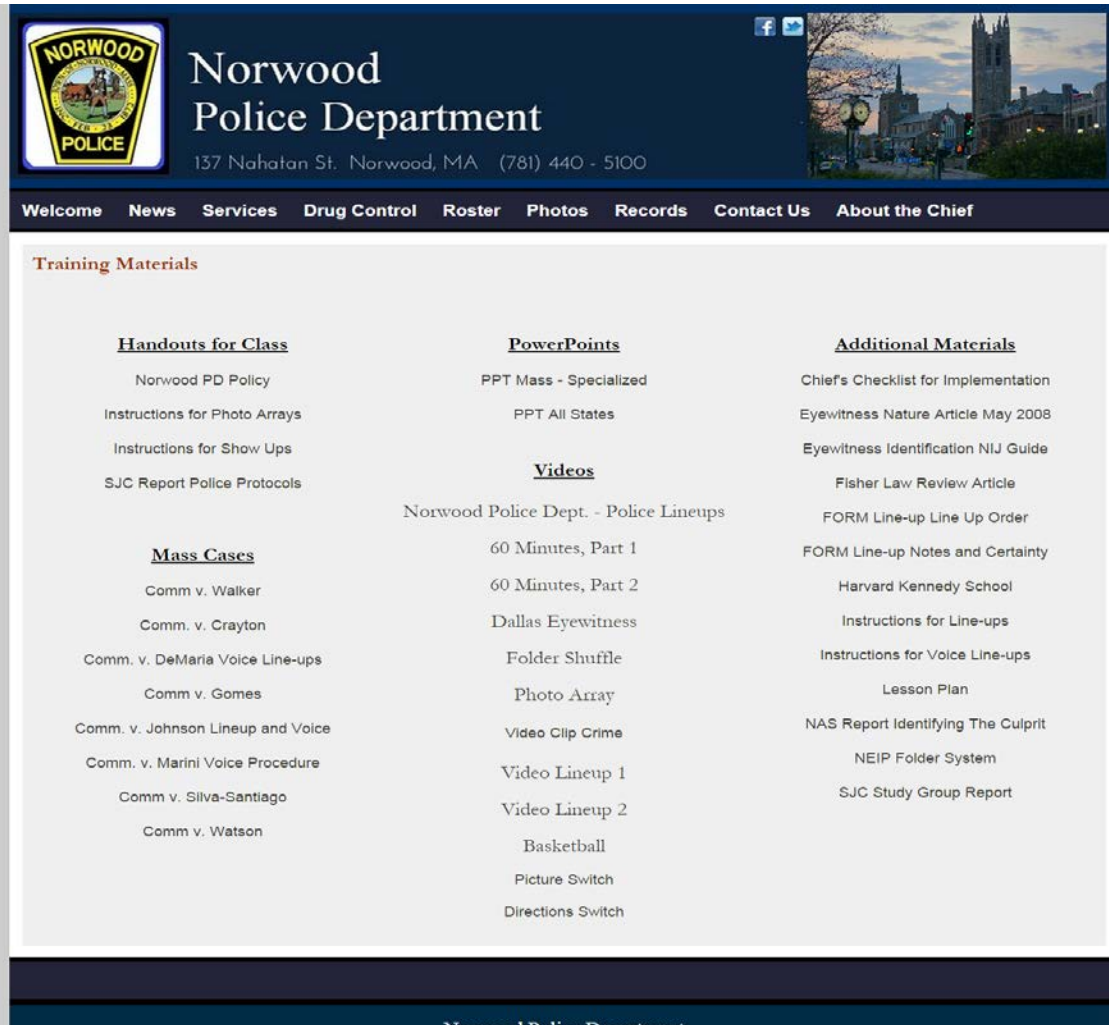

National Academy of Sciences Report:

1. Blind/Blinded Administration
2. Witness Instructions
3. Witness Confidence Statements
4. Law Enforcement Training
5. Videotaping/Documenting the Procedure

U.S. Department of Justice/IACP

5. Filler match to witness description.

Resources

The screenshot shows the Norwood Police Department website. At the top left is the Norwood Police Department logo, which features a shield with a horse and rider, and the text "NORWOOD POLICE". To the right of the logo is the text "Norwood Police Department" and the address "137 Nahatan St. Norwood, MA (781) 440 - 5100". There are social media icons for Facebook and Twitter. A navigation menu includes "Welcome", "News", "Services", "Drug Control", "Roster", "Photos", "Records", "Contact Us", and "About the Chief".
