Statutory Citation: Title 5, chapter 11, part 3, MCA

Section 5-11-305, MCA, authorizes Montana's participation in appropriate interstate organizations, the National Conference of State Legislatures (NCSL) among them. NCSL is a bipartisan organization that serves only legislators and their staffs. NCSL provides research, technical assistance, and opportunities for policymakers to exchange ideas on the most pressing state issues and is an advocate for the interests of the states in the American federal system.

Much of the NCSL's work is accomplished through its standing committees composed of legislators and legislative staff from across the country. The Legislative Council has appointed legislators to 2-year terms as members of the following NCSL committees.
