

Permit & Change Application Processing Timelines 2005-2015

- Timelines below apply to the date a CA/SOP/PD was completed
 - Several applications are missing the CA/SOP dates, so the 2005-2009 timelines were calculated based upon those that had dates entered
- Permit applications within controlled groundwater and compact areas were removed
- Terminated/Withdrawn are those applications either terminated by DNRC or those the applicant requested withdrawn from the process for various reasons
- Dates below apply to the date the applications were received
