

LEGISLATOR CLAIMS FOR REIMBURSEMENT OF INTERIM ACTIVITIES

Legislative Services Division

Information Sheet Updated March 26, 2010

The following provides information for legislators about payment of salary and reimbursement of expenses for interim activities. Legislators who have questions regarding this information should call the Financial & Human Resource Office, Legislative Services Division (Karen Berger at 444-3411 or Jennifer Simmons at 444-9542).

Generally, legislators should use the mode of travel that provides the lowest overall cost to the state. Lodging reservations should be made early to obtain state-rate rooms; a legislator should always request state employee rates when making reservations. If a legislator uses a commercial airline, reservations should be made early to obtain discounted rates, and costly schedule changes should be avoided.

Statutory Provisions

5-2-302. Compensation and expenses when legislature not in session. When the legislature is not in session, a member of the legislature, while engaged in legislative business with prior authorization of the appropriate funding authority, is entitled to:

- (1) a mileage allowance as provided in 2-18-503;
- (2) expenses as provided in 2-18-501 and 2-18-502; and
- (3) a salary equal to one full day's pay at the rate described in 5-2-301(1) for each 24-hour period of time (from midnight to midnight), or portion thereof, spent away from home on authorized legislative business. However, if time spent for business other than authorized legislative business results in lengthening a legislator's stay away from home into an additional 24-hour period, the legislator may not be compensated for the additional day.

Reimbursement Rates

In-state meals (receipts NOT required)	Breakfast \$5.00; Lunch \$6.00; Dinner \$12.00
Mileage (receipt NOT required)	\$.50/mile for first 1,000 miles each month; \$.47/mile thereafter
Lodging (receipt IS required)	\$70/day, plus applicable taxes, total \$74.90 in most Montana locations. \$81/day, plus applicable taxes, total \$86.67 in Helena.
Nonreceipted lodging (e.g., stay with friends or family)	\$12/day

Guidelines for Evaluating Reasonableness of Claims (Revised by Legislative Council 3/2/2010)

The following guidelines are used to determine if time spent away from home reasonably falls within the context of authorized legislative business:

1. Overnight lodging is reasonable when a legislator would be required to leave home earlier than 6:30 a.m. or arrive home later than 6:30 p.m. in order to have attended all of the meeting or have conducted all of the authorized legislative business. To compute whether this would be required, an average travel speed (overall including incidental stops) of 50 miles an hour is used. The one-half hour immediately preceding and immediately following a meeting or activity is an in-town travel shift and considered to be part of the total meeting schedule for the purposes of the reasonableness computation.

2. A legislator is entitled to a day's salary when necessarily away from home for authorized legislative business. A member is considered necessarily away from home on the day of a meeting or other authorized legislative activity and on any other day when travel qualified under #1 above is required.
3. Subject to statute, a meal falling within reasonable travel times may be claimed.

Special circumstances are considered in determining reasonableness. Such circumstances may include inclement weather, a legislator's health, variables related to flying instead of driving, and schedule conflicts which require a member to choose a more expensive mode of travel in order to participate in the legislative activity. **Special circumstances should be clearly presented on the claim form.**

Legislators Who Live in Helena

A legislator who lives in Helena and attends an interim committee meeting in Helena is not entitled to mileage or lodging reimbursement. However, the legislator is entitled to a midday meal allowance on the day of the meeting regardless of the proximity of the meeting place to the individual's residence. In addition, the legislator may claim salary in the same manner as all other legislators.

Submission of Claims

To receive payment of salary and reimbursement of expenses for interim legislative work, a legislator must complete and sign a Statement of Expense for Montana Legislators. Forms are available from committee secretaries and from the Financial & Human Resource Office, Legislative Services Division, Room 154 in the Capitol.

The legislator must return the claim to the committee secretary or to the Financial & Human Resource Office, Legislative Services Division, accompanied by original receipts as noted on the claim form. The legislator should clearly note the number of days of salary, lodging, and meals claimed. The claim should be completed and **signed in ink**. Special circumstances that apply to the claim should be noted.

Claims will be processed as quickly as possible. Payment of expenses, not including salary, will be processed within 3 working days after the Financial & Human Resource Office receives the claim. The salary portion of the claim will be paid with the next biweekly state payroll cycle following receipt of the claim. This means that a legislator will usually receive two state warrants for each claim submitted, one for expenses and one for salary. Claim forms that are incomplete or do not include required receipts may be returned to the legislator for completion. When that happens, the claims processing period may be extended.

Timely Submission of Claims

State policy requires that requests for reimbursement of travel costs be submitted within 3 months of incurring the expense or the right to reimbursement is waived. **To comply with policy, the Legislative Branch cannot process payment if reimbursement requests are submitted outside the 3-month window.**
