

Average Resident Per Semester Tuition and Mandatory Fees for Full-time Students in 4-Year Montana Public Post-Secondary Institutions

■ Avg. Tuition Per Semester      ■ Avg. Mandatory Fees Per Semester

The chart shows the average tuition and mandatory fees costs for each semester for resident full-time equivalent lower division (freshmen & sophomores) students in the Montana University System. While the average cost of tuition has remained steady since FY 13, the increase since FY 11 was 2.46%. Average mandatory fees have increased each year since FY 11 resulting in a growth of 2.16%. The data provided in this chart was compiled from tuition and fee rates contained in the summary spreadsheets published by the Montana University System.
