

OVERVIEW

HB 645 – FEDERAL STIMULUS FUNDS AUTHORIZATION

HB 645 contains the appropriations for the federal “American Recovery and Reinvestment Act (ARRA) of 2009 that are allocated to the State of Montana to be used for the purpose of stimulating economic recovery. It also includes amendments to statute that are needed to implement the provisions of the federal stimulus act. This report provides a summary of the funds made available to Montana through the federal stimulus act, and specifically the funds that are appropriated through HB 647.

The following pages contain tables that summarize the following:

- Federal Stimulus Funds – Total Montana Impact (\$1.65 billion)
- Uses of Freed-up General Fund
- Fiscal Stabilization Funds

The body of this report includes an explanation of funds included in HB 645 by section and by agency. It includes a brief description of the funds for each agency as follows:

- Purpose of funds
- Statutory changes, if any
- Conditions and limitations on funds
- Description of each decision package (specific appropriation) in the bill

The program sections of this narrative are as follows:

- General Government
- Health and Human Services
- Natural Resources and Transportation
- Judiciary, Law Enforcement, and Justice
- Education

WHAT IS THE IMPACT TO MONTANA?

The following shows the estimated total impact to Montana of the economic stimulus package. Included in the table is anticipated additional unemployment insurance benefits that do not require an appropriation, as well as the tax impact as estimated by the Montana Department of Revenue. As shown, the impact of funds flowing through state government and estimated tax impacts is over \$1.6 billion. Please note that this does not include any funds that individuals or groups in Montana would receive directly from federal sources.

FISCAL STABILIZATION FUNDS

Most of the federal funds are allocated for specific purposes. However, over \$148 million is provided as state fiscal stabilization funds. Over 81 percent, or over \$121 million, must be used for various education purposes. The remaining \$27 million can be used for priorities of the legislature's choosing. The following figure shows where these funds are allocated in HB 645.
