**** Bill No. ****

Introduced By *****

By Request of the *****

A Bill for an Act entitled: "An Act clarifying the distributions and amounts to be transferred from the state general fund to the research and commercialization state special revenue account; amending sections 7-14-112, 10-2-112, 10-2-603, 10-3-801, 15-1-122, and 15-35-108, MCA; and providing an effective date."

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 7-14-112, MCA, is amended to read:

"7-14-112. Senior citizen and persons with disabilities transportation services account -- use. (1) There is a senior citizen and persons with disabilities transportation services account in the state special revenue fund. Money must be deposited in the account pursuant to 15-1-122~~(2)~~(3)(e).

(2) Except as provided in subsection (6), the account must be used to provide operating funds or matching funds for operating grants pursuant to 49 U.S.C. 5311 to counties, incorporated cities and towns, transportation districts, or nonprofit organizations for transportation services for persons 60 years of age or older and for persons with disabilities.

(3) (a) Subject to the conditions of subsection (3)(b), the department of transportation is authorized to award grants to counties, incorporated cities and towns, transportation districts,

and nonprofit organizations for transportation services using guidelines established in the state management plan for the purposes described in 49 U.S.C. 5310 and 5311.

(b) Priority for awarding grants must be determined according to the following factors:

(i) the most recent census or federal estimate of persons 60 years of age or older and persons with disabilities in the area served by a county, incorporated city or town, transportation district, or nonprofit organization;

(ii) the annual number of trips provided by the transportation provider to persons 60 years of age or older and to persons with disabilities in the transportation service area;

(iii) the ability of the transportation provider to provide matching money in an amount determined by the department of transportation; and

(iv) the coordination of services as required in subsection (5).

(4) The department of transportation shall ensure that the available funding is distributed equally among the five transportation districts provided in 2-15-2502.

(5) In awarding grants, the department of transportation shall give preference to proposals that:

(a) include the establishment of a transit authority to coordinate service area or regional transportation services;

(b) address and document the transportation needs within the community, county, and service area or region;

(c) identify all other transportation providers in the

community, county, and service area or region;

(d) explain how services are going to be coordinated with the other transportation providers in the service area or region;

(e) indicate how services are going to be expanded to meet the unmet needs of senior citizens and disabled persons within the community, county, and service area or region who are dependent upon public transit;

(f) include documentation of coordination with other local transportation programs within the community, county, and service area or region, including:

(i) utilization of existing resources and equipment to maximize the delivery of service; and

(ii) the projected increase in ridership and expansion of service;

(g) invite school districts to participate or be included in the transportation coordination efforts within the community, county, and service area or region; and

(h) at a minimum, comply with the provisions in subsections (5)(b) through (5)(f).

(6) Any money remaining after grants have been awarded to transportation providers who provide transportation services for persons 60 years of age or older and persons with disabilities may be awarded to other transportation providers for operating costs or matching funds for operating grants for the purposes described in 49 U.S.C. 5311 other than for transportation services for persons 60 years of age or older or persons with disabilities."

be used by the department to defray costs of:

(i) local search and rescue units for search and rescue missions conducted through a county sheriff's office at a maximum of \$6,000 for each rescue mission, regardless of the number of counties or county search and rescue organizations involved. To fulfill the purposes of this subsection (3)(a)(i), the department shall transmit reimbursement money to the county treasurer, who shall deposit the funds in a separate search and rescue fund accessible by the local search and rescue unit that requested the reimbursement. The county treasurer shall notify the reimbursed local search and rescue unit by mail when the deposit occurs.

(ii) a county sheriff's office at a maximum of \$6,000 for each rescue mission, regardless of the number of counties or county search and rescue organizations involved.

(b) The remaining money in the account may be used by the department:

(i) to match local funds for the purchase of equipment for use by local search and rescue units at a maximum of \$6,000 for each unit in a calendar year. The cost-sharing match must be 35% local funds to 65% from the account.

(ii) for reimbursement of expenses related to the training of search and rescue volunteers.

(4) The department may adopt rules to implement the proper administration of the account. The rules may include:

(a) a method of reimbursing local search and rescue units or a county sheriff's office, on a case-by-case basis, for authorized search and rescue operations conducted pursuant to subsection
