Date: September 23, 2009

From: Jon Moe

Subject: Required Reports for September 2009 LFC Meeting – *Web Version* - Revised

The legislature (through statute, language in bills, or committee action) requires certain reports to be submitted to the Legislative Finance Committee (LFC) and the Legislative Fiscal Division (LFD). State agencies and other entities have been requested to provide information on various subjects of interest to facilitate the decision-making process.

The reports fit into two categories: 1) reports required to be submitted to the LFC are generally to monitor compliance or progress with legislative policy/initiatives; and 2) reports required to be submitted to the LFD are primarily to provide data relevant for staff analysis of budget issues for the next legislative session. The attached report lists the required reports identified and the occurrences of the reports received or expected to be received during the 2011 biennium. Twelve reports have been received since the last LFC meeting (June 2009). Ten of those reports are attached under this cover for your review. The Medicaid cost and budget status report (item #24) is not copied for the committee because of its size but rather is reviewed by division staff on behalf of the committee, and comments or concerns will be brought to the committee for its consideration. The State Fund budget (#19) is not attached as it is the topic of a separate agenda item in the December meeting.

Generally, this summary report on “required reports” is provided to the committee simply for information purposes. Although it is on the LFC meeting agenda, there are typically no oral reports provided unless there is an issue identified by the staff that needs to be brought to the committee’s attention. If a committee member has a question, he or she can contact the indicated staff member directly or raise the question in the meeting.

If you have questions, please feel free to contact Jon Moe by e-mail at [jonmoe@mt.gov](mailto:jonmoe@mt.gov) or by telephone at 406-444-2986.

*[Note: This web version does not include copies of individual reports because most were not available electronically. If a copy is desired of a particular report, contact Jon Moe.]*
