\*\*\*\* Bill No. \*\*\*\*

Introduced By \*\*\*\*\*

By Request of the \*\*\*\*\*

A Bill for an Act entitled: "An Act revising agricultural classification laws; amending sections 15-6-133, 15-7-202, and 15-7-206, MCA."

Be it enacted by the Legislature of the State of Montana:

**Section 1.** Section 15-6-133, MCA, is amended to read:

**"15-6-133. Class three property -- description -- taxable percentage.** (1) Class three property includes:

(a) agricultural land as defined in 15-7-202;

(b) nonproductive patented mining claims outside the limits of an incorporated city or town held by an owner for the ultimate purpose of developing the mineral interests on the property. For the purposes of this subsection (1)(b), the following provisions apply:

(i) The claim may not include any property that is used for residential purposes, recreational purposes as described in 70-16-301, or commercial purposes as defined in 15-1-101 or any property the surface of which is being used for other than mining purposes or has a separate and independent value for other purposes.

(ii) Improvements to the property that would not disqualify the parcel are taxed as otherwise provided in this title,

including that portion of the land upon which the improvements are located and that is reasonably required for the use of the improvements.

(iii) Nonproductive patented mining claim property must be valued as if the land were devoted to agricultural grazing use.

(c) parcels of land of 20 acres or more but less than 160 acres under one ownership that are not eligible for valuation, assessment, and taxation as agricultural land under 15-7-202~~(1)~~ (2) through (4), which are considered to be nonqualified agricultural land. Nonqualified agricultural land may not be devoted to a commercial or industrial purpose. Nonqualified agricultural land is valued at the average productive capacity value of grazing land.

(2) Subject to subsection (3), class three property is taxed at 2.16% of its productive capacity value.

(3) The taxable value of land described in subsection (1)(c) is computed by multiplying the value of the land by seven times the taxable percentage rate for agricultural land."

~~purposes; and~~

~~—— (B) rental payments made under the federal conservation reserve program or a successor to that program;~~

~~—— (ii) land(5) Land that is devoted to residential use or that is used for agricultural buildings and is included in or is contiguous to land under the same ownership that is classified as agricultural land, other than nonqualified agricultural land described in 15-6-133(1)(c), must be classified as agricultural land, and the land must be valued as provided in 15-7-206.~~

~~(2) Contiguous or noncontiguous parcels of land totaling less than 20 acres under one ownership that are actively devoted to agricultural use are eligible for valuation, assessment, and taxation as agricultural each year that the parcels meet any of the following qualifications:~~

~~—— (a) except as provided in subsection (3), the parcels produce and the owner or the owner's agent, employee, or lessee markets not less than \$1,500 in annual gross income from the raising of agricultural products as defined in 15-1-101;~~

~~—— (b) the parcels would have met the qualification set out in subsection (2)(a) were it not for independent, intervening causes of production failure beyond the control of the producer or marketing delay for economic advantage, in which case proof of qualification in a prior year will suffice; or~~

~~—— (c) in a prior year, the parcels totaled 20 acres or more and qualified as agricultural land under this section, but the number of acres was reduced to less than 20 acres for a public use described in 70-30-102 by the federal government, the state,~~

~~a county, or a municipality, and since that reduction in acres, the parcels have not been further divided.~~

~~(3)~~(6) For grazing land to be eligible for classification as agricultural land under subsections ~~(1)(b)~~ and (2) through (4), the land must be capable of sustaining a minimum number of animal unit months of carrying capacity. The minimum number of animal unit months of carrying capacity must equate to \$1,500 in annual gross income as determined by the Montana state university-Bozeman department of agricultural economics and economics.

~~(4)~~(7) The grazing on land by a horse or other animals kept as a hobby and not as a part of a bona fide agricultural enterprise is not considered a bona fide agricultural operation.

~~(5)~~(8) The department may not classify land less than 160 acres as agricultural unless the owner has applied to have land classified as agricultural land. Land of 20 acres or more but less than 160 acres for which no application for agricultural classification has been made is valued as provided in 15-6-133(1)(c) and is taxed as provided in 15-6-133(3). If land has been valued, assessed, and taxed as agricultural land in any year, it must continue to be valued, assessed, and taxed as agricultural until the department reclassifies the property. A reclassification does not mean revaluation pursuant to 15-7-111.

~~(6)~~(9) For the purposes of this part, growing timber is not an agricultural use."
