

Elected Officials' Salaries

The Legislative Fiscal Division used data contained in the State of Montana 2012 elected officials salary survey to prepare the above chart. In addition to the above salaries, state elected officials' expenses are reimbursed when the individual is away from their designated headquarters, as defined in MCA, 2-18-501. In addition to expense reimbursement, the Governor receives a leased motor pool vehicle, air transportation on the executive aircraft and an official state executive residence. The Lieutenant Governor receives a leased motor pool vehicle.
